Dear Parents, Carers and Children,

We have had a busy two weeks at school and you will all have had a busy time at home. Everyone is working hard with their learning and adjusting to the new ways of doing things.

From this week we will be sending a weekly Remote Learning Newsletter. This will be sent out on a Friday and provide information of what will be happening the following week with your remote learning.

Over the last few days, you have all been emailed a link to set up your Class Dojo account. Please try and do this as quickly as possible, as teachers will be posting a daily video for their class and using this to communicate with children and parents.

If you have a problems or questions relating to your Remote Learning, please email or message your class teacher via Class Dojo.
