Dear Parents, carers and children,

Well done with all your Remote learning, you have all had another successful week!

Almost everyone is now signed up to Class Dojo and we hope you are enjoying the daily videos your teachers are posting. Please remember to view these everyday so we can take a register of who is accessing their Remote learning.

Parents can send messages directly to teachers, children can post work through their Portfolio and we will be using the Class Story more and more over the coming weeks to share information, post videos and upload work. Keep a look out for developments on your own Class Story!

Make sure you also view the Whole School Story where you will find information and challenges for everyone. Mrs Kielstra will also be posting her weekly Celebration video here, when you can find out who has earned the most Dojo points in your class.

If you have a problems or questions relating to your Remote Learning, please email or message your class teacher via Class Dojo.
