Dear Parents, Carers and Children,

This is our final Remote Newsletter as we welcome the children back to school on Monday 8th March. We hope you have found the information we have shared useful and that you have been happy with the provision for remote learning.

Please note the following Government Guidance:

School attendance will be mandatory for all pupils from 8 March.

The usual rules on school attendance apply, including:

- parents' duty to secure their child's regular attendance at school (where the child is a registered pupil at school and they are of compulsory school age)

If you have any concerns about your child's return to school please do not hesitate to contact us and we can discuss these with you.

Our communication with you has been a great success of our Remote Learning and we want this to continue. Year Group email accounts will remain active, but as staff will be in class teaching they will no longer be able to check messages until after 3:15pm and only until 4:30pm daily. We will also continue to use Class Dojo and we are going to be using this app permanently in school and linking it to our rewards system. It will continue to be used for our videos from Father Jonathan and Father Alex. Whilst information will not be as regular as has been needed in lockdown it will remain an excellent interactive device for us to use. As with email, messages on Class Dojo will not be checked until after 3:15pm until 4:30pm daily.

We thank you for supporting your child's learning during this challenging time and look forward to their return and settling them back into school routines.
